

The Great Outdoors

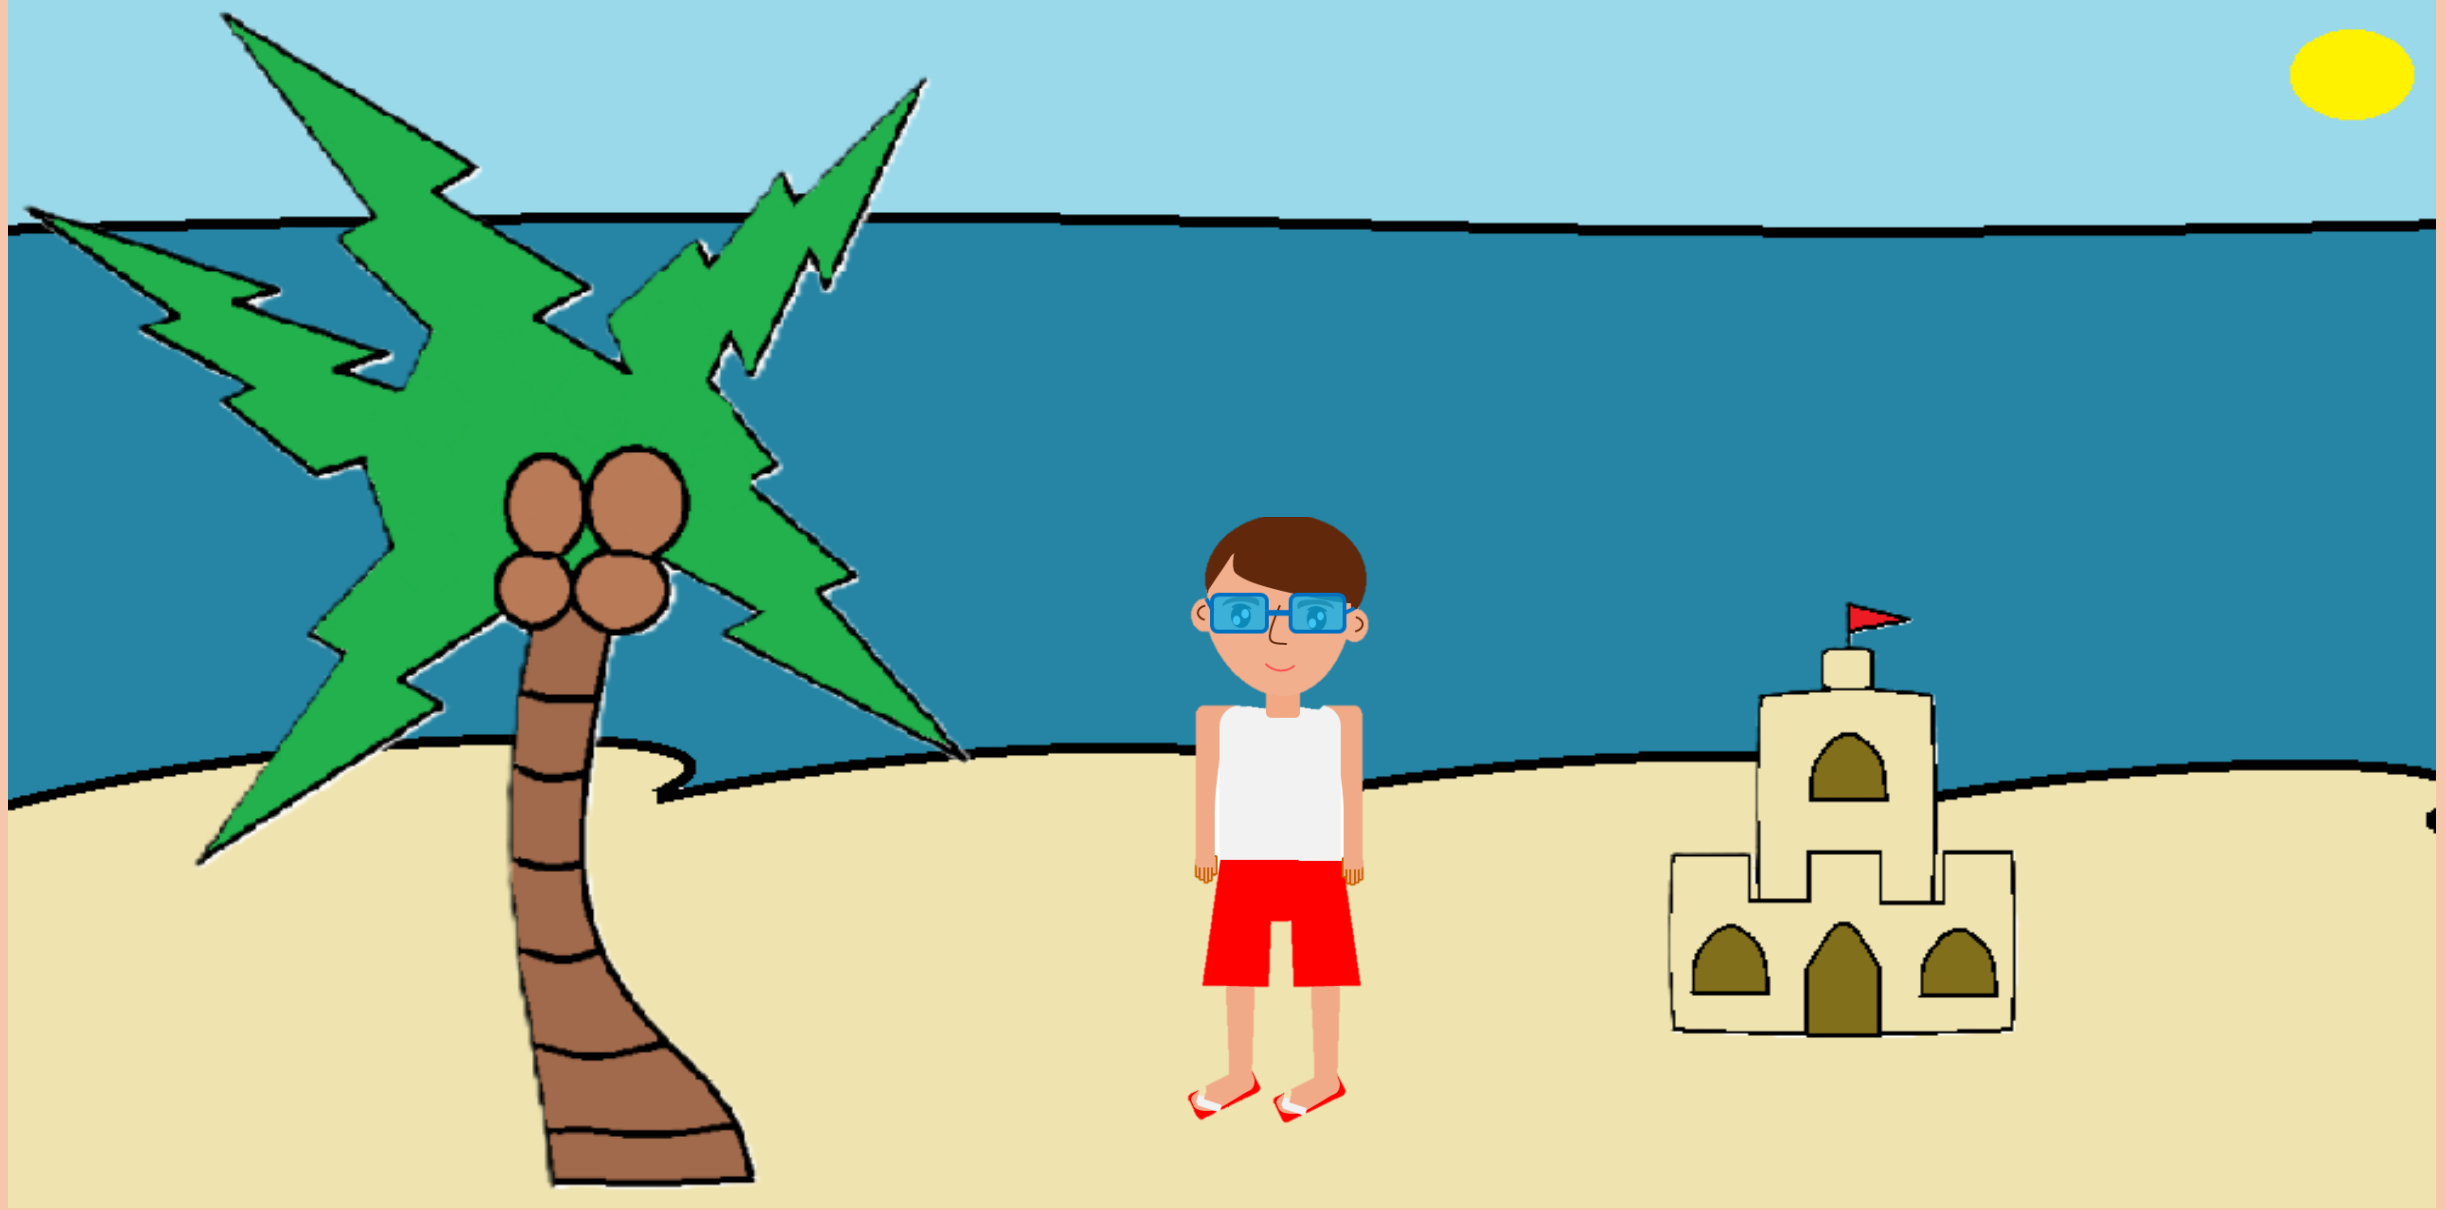

Written by Russell Holton

Where would you visit in the great outdoors?

I'd visit a sandy beach.

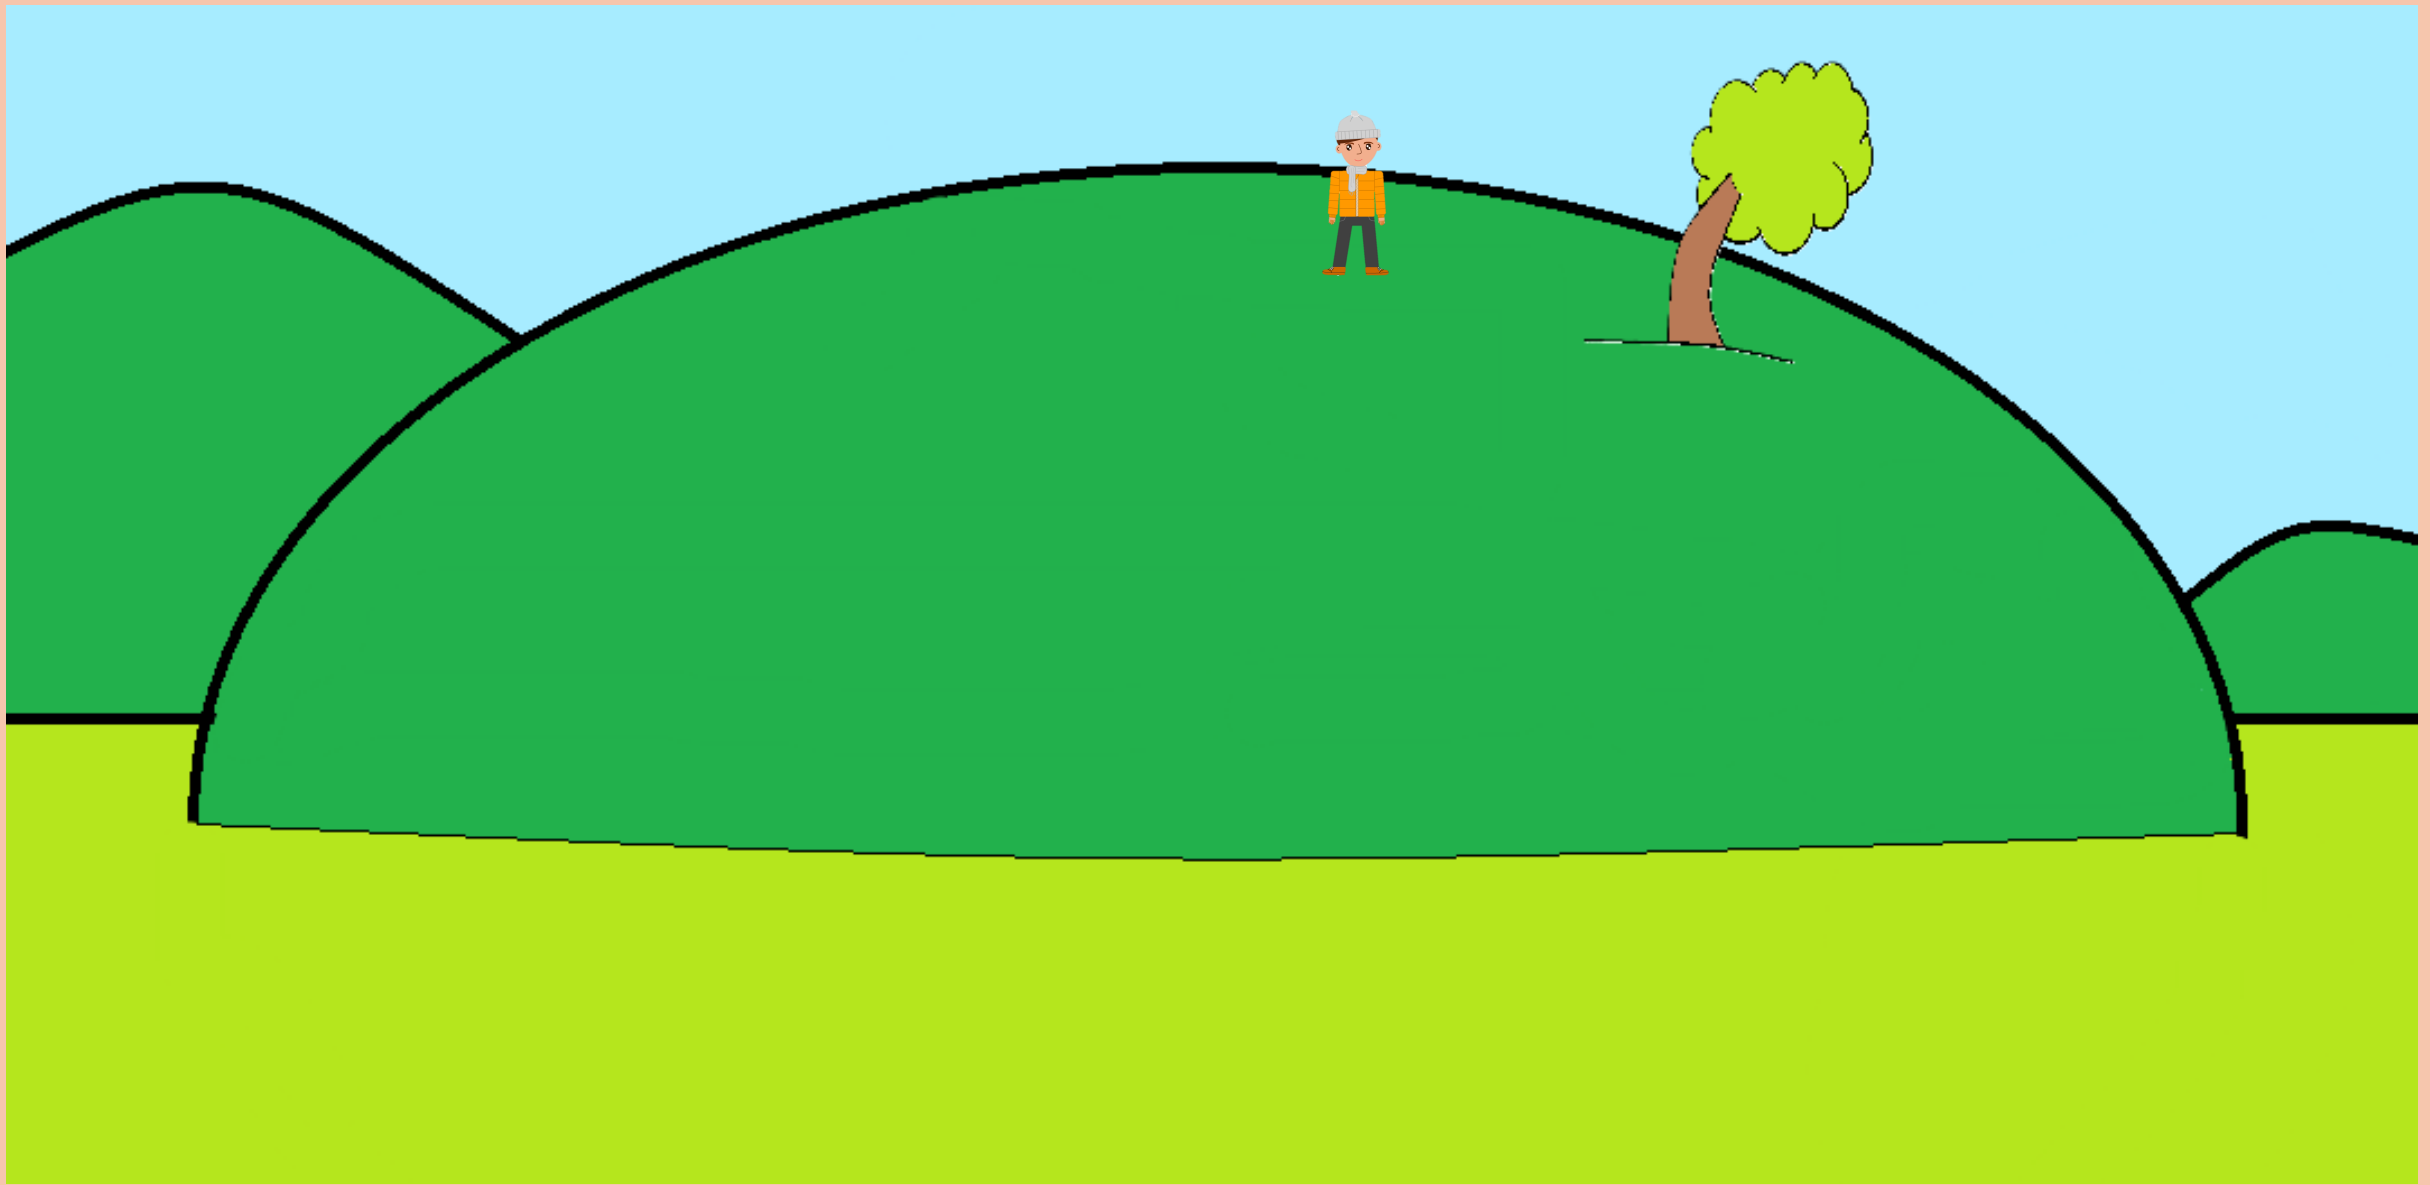

I'd visit a dry desert.

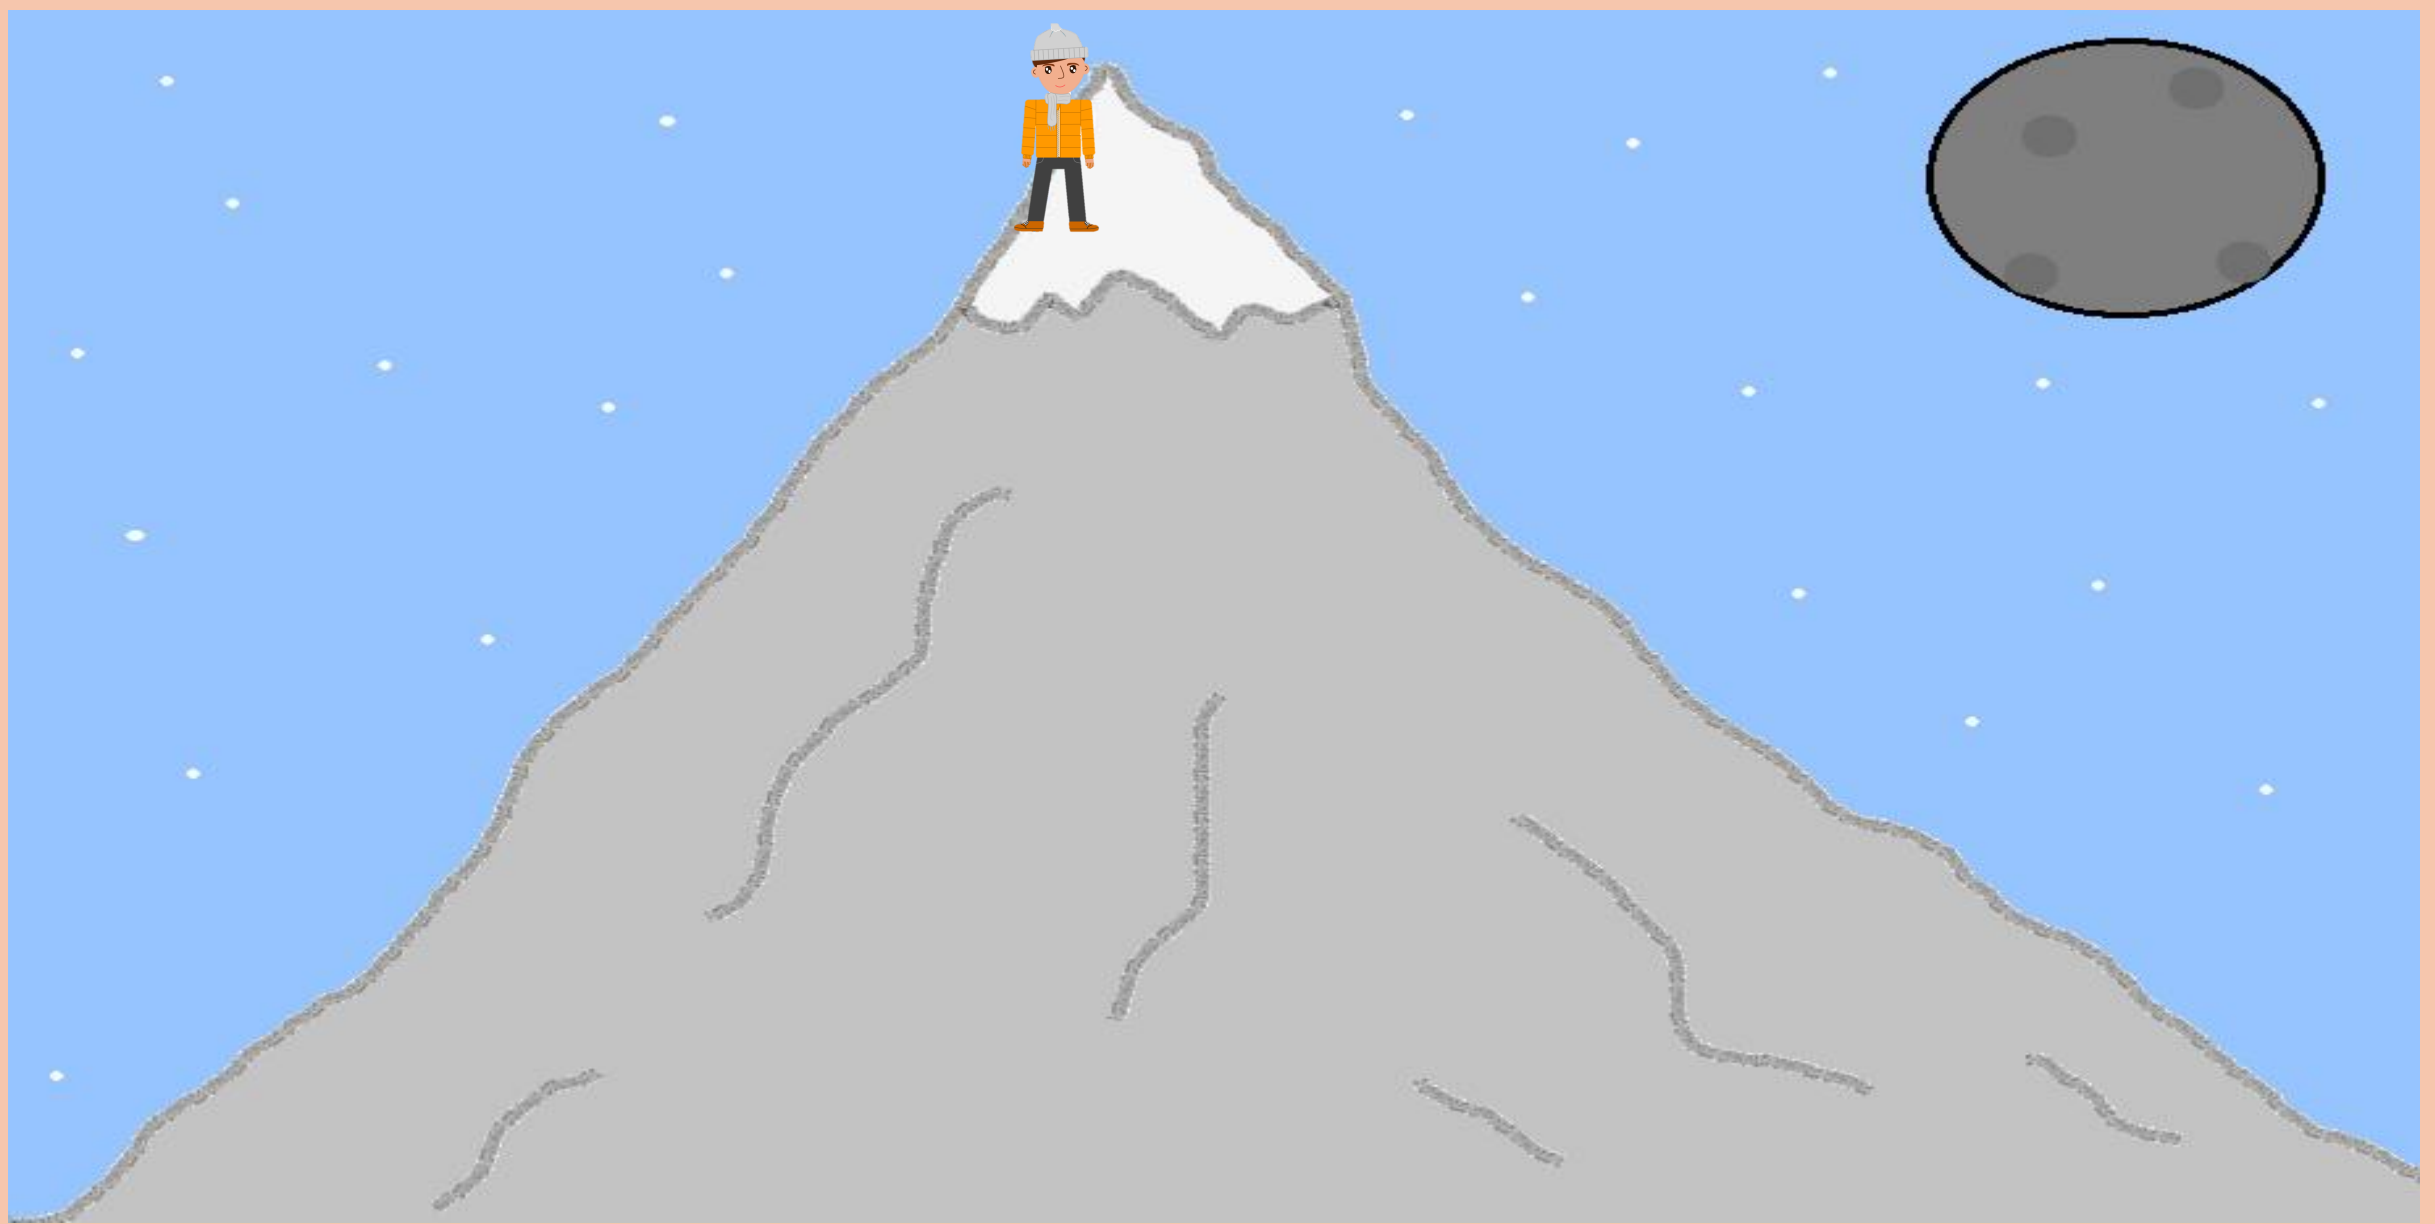

I'd visit a green forest.

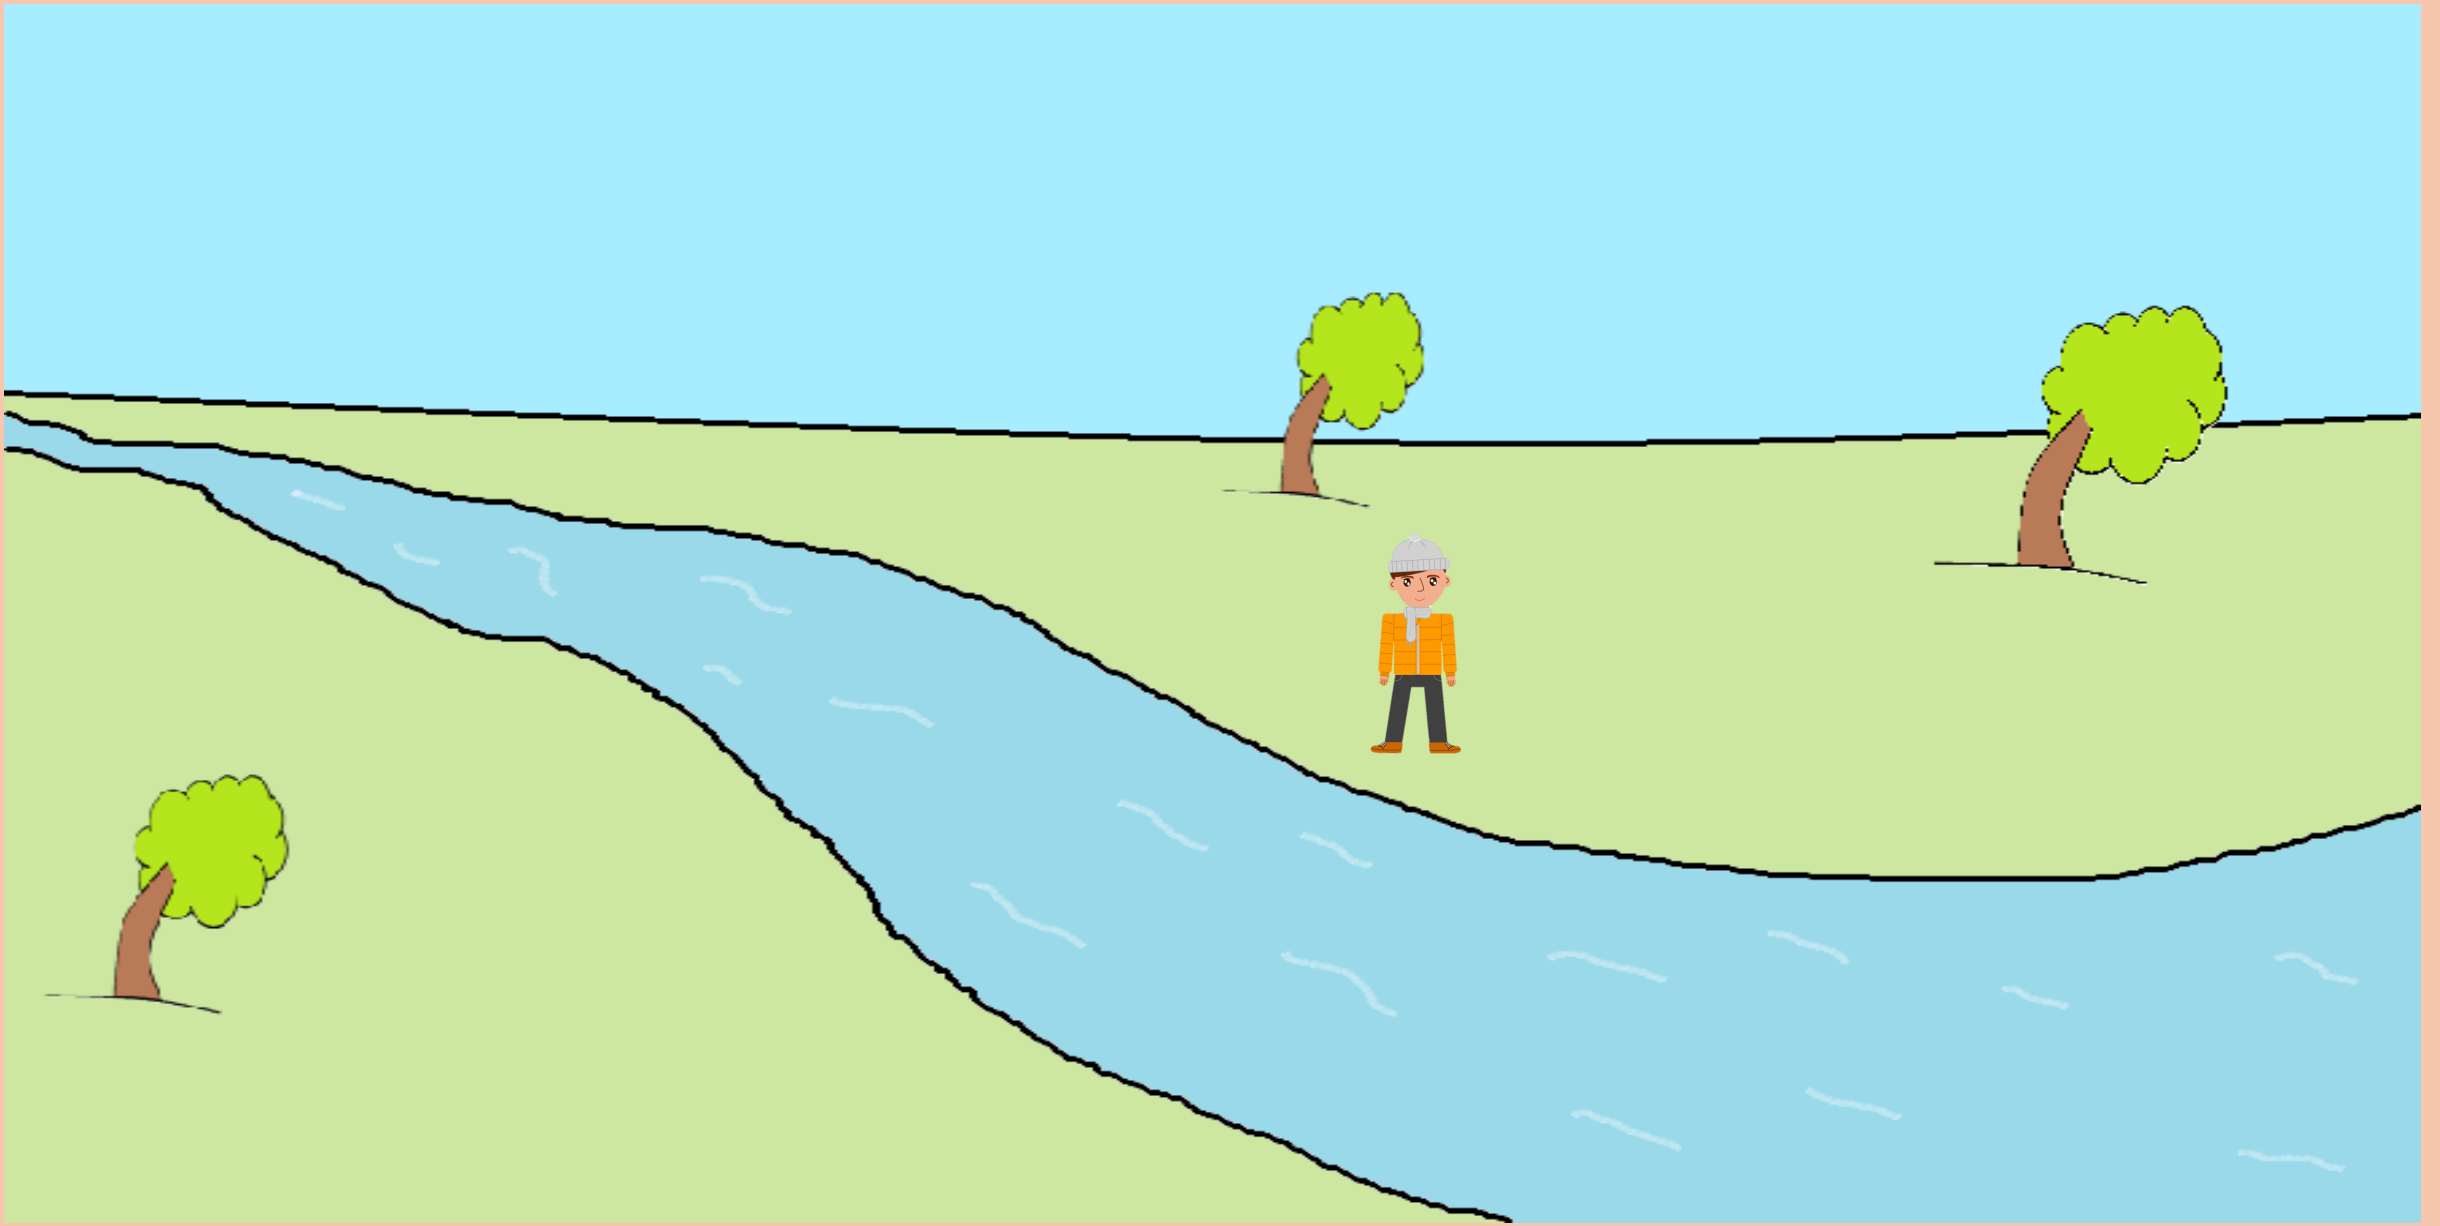

I'd visit an icy glacier.

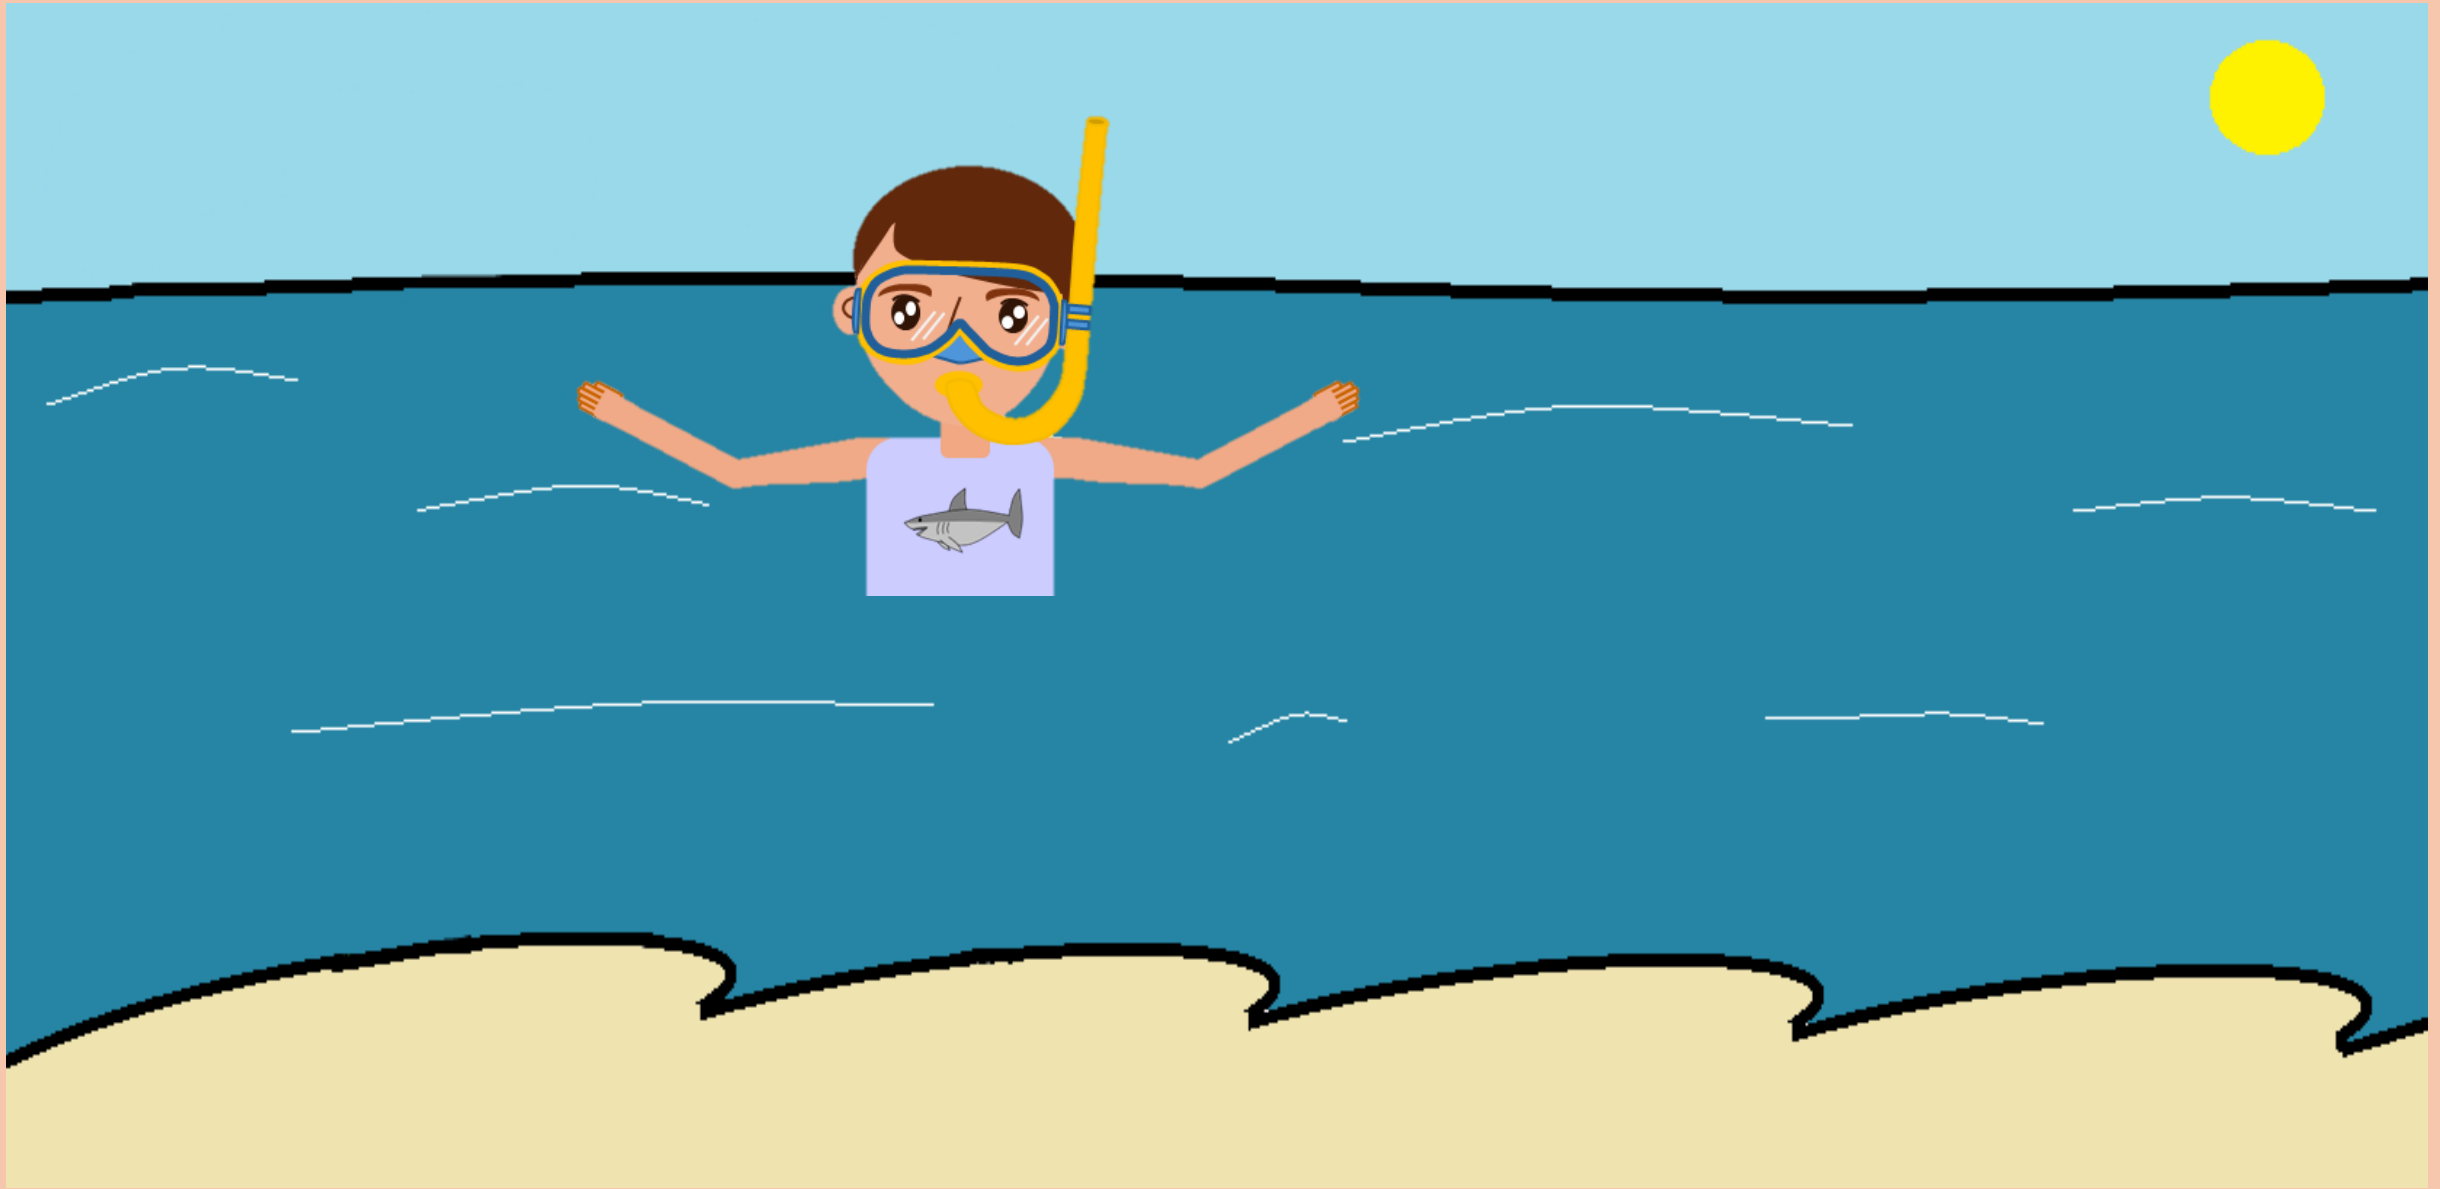

I'd visit a huge hill.

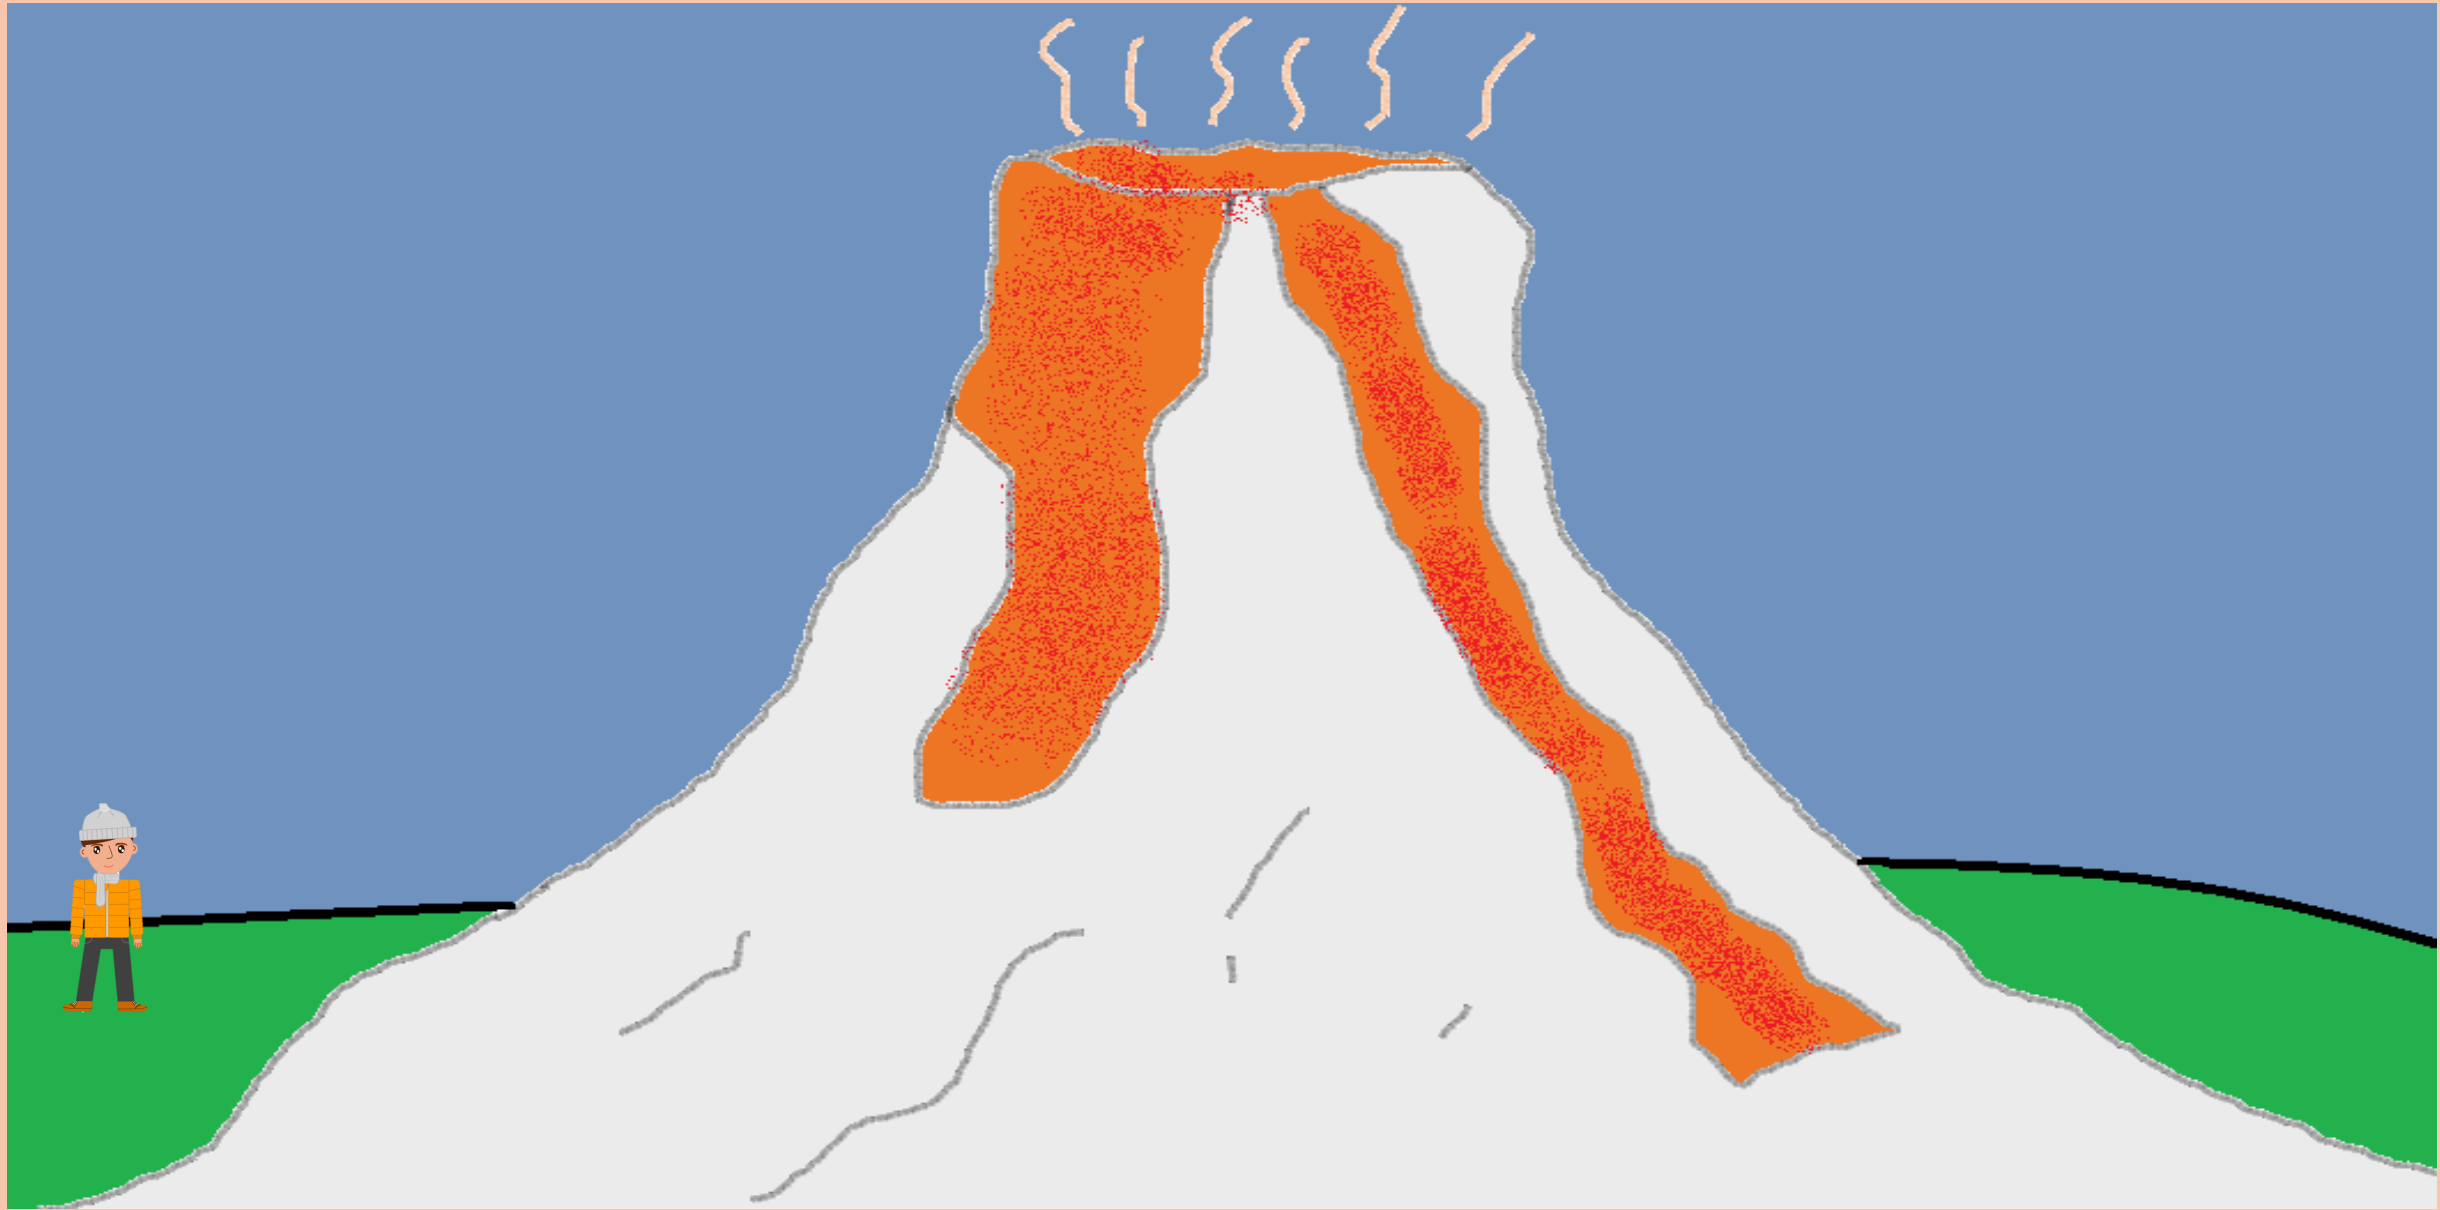

I'd visit a tall mountain.

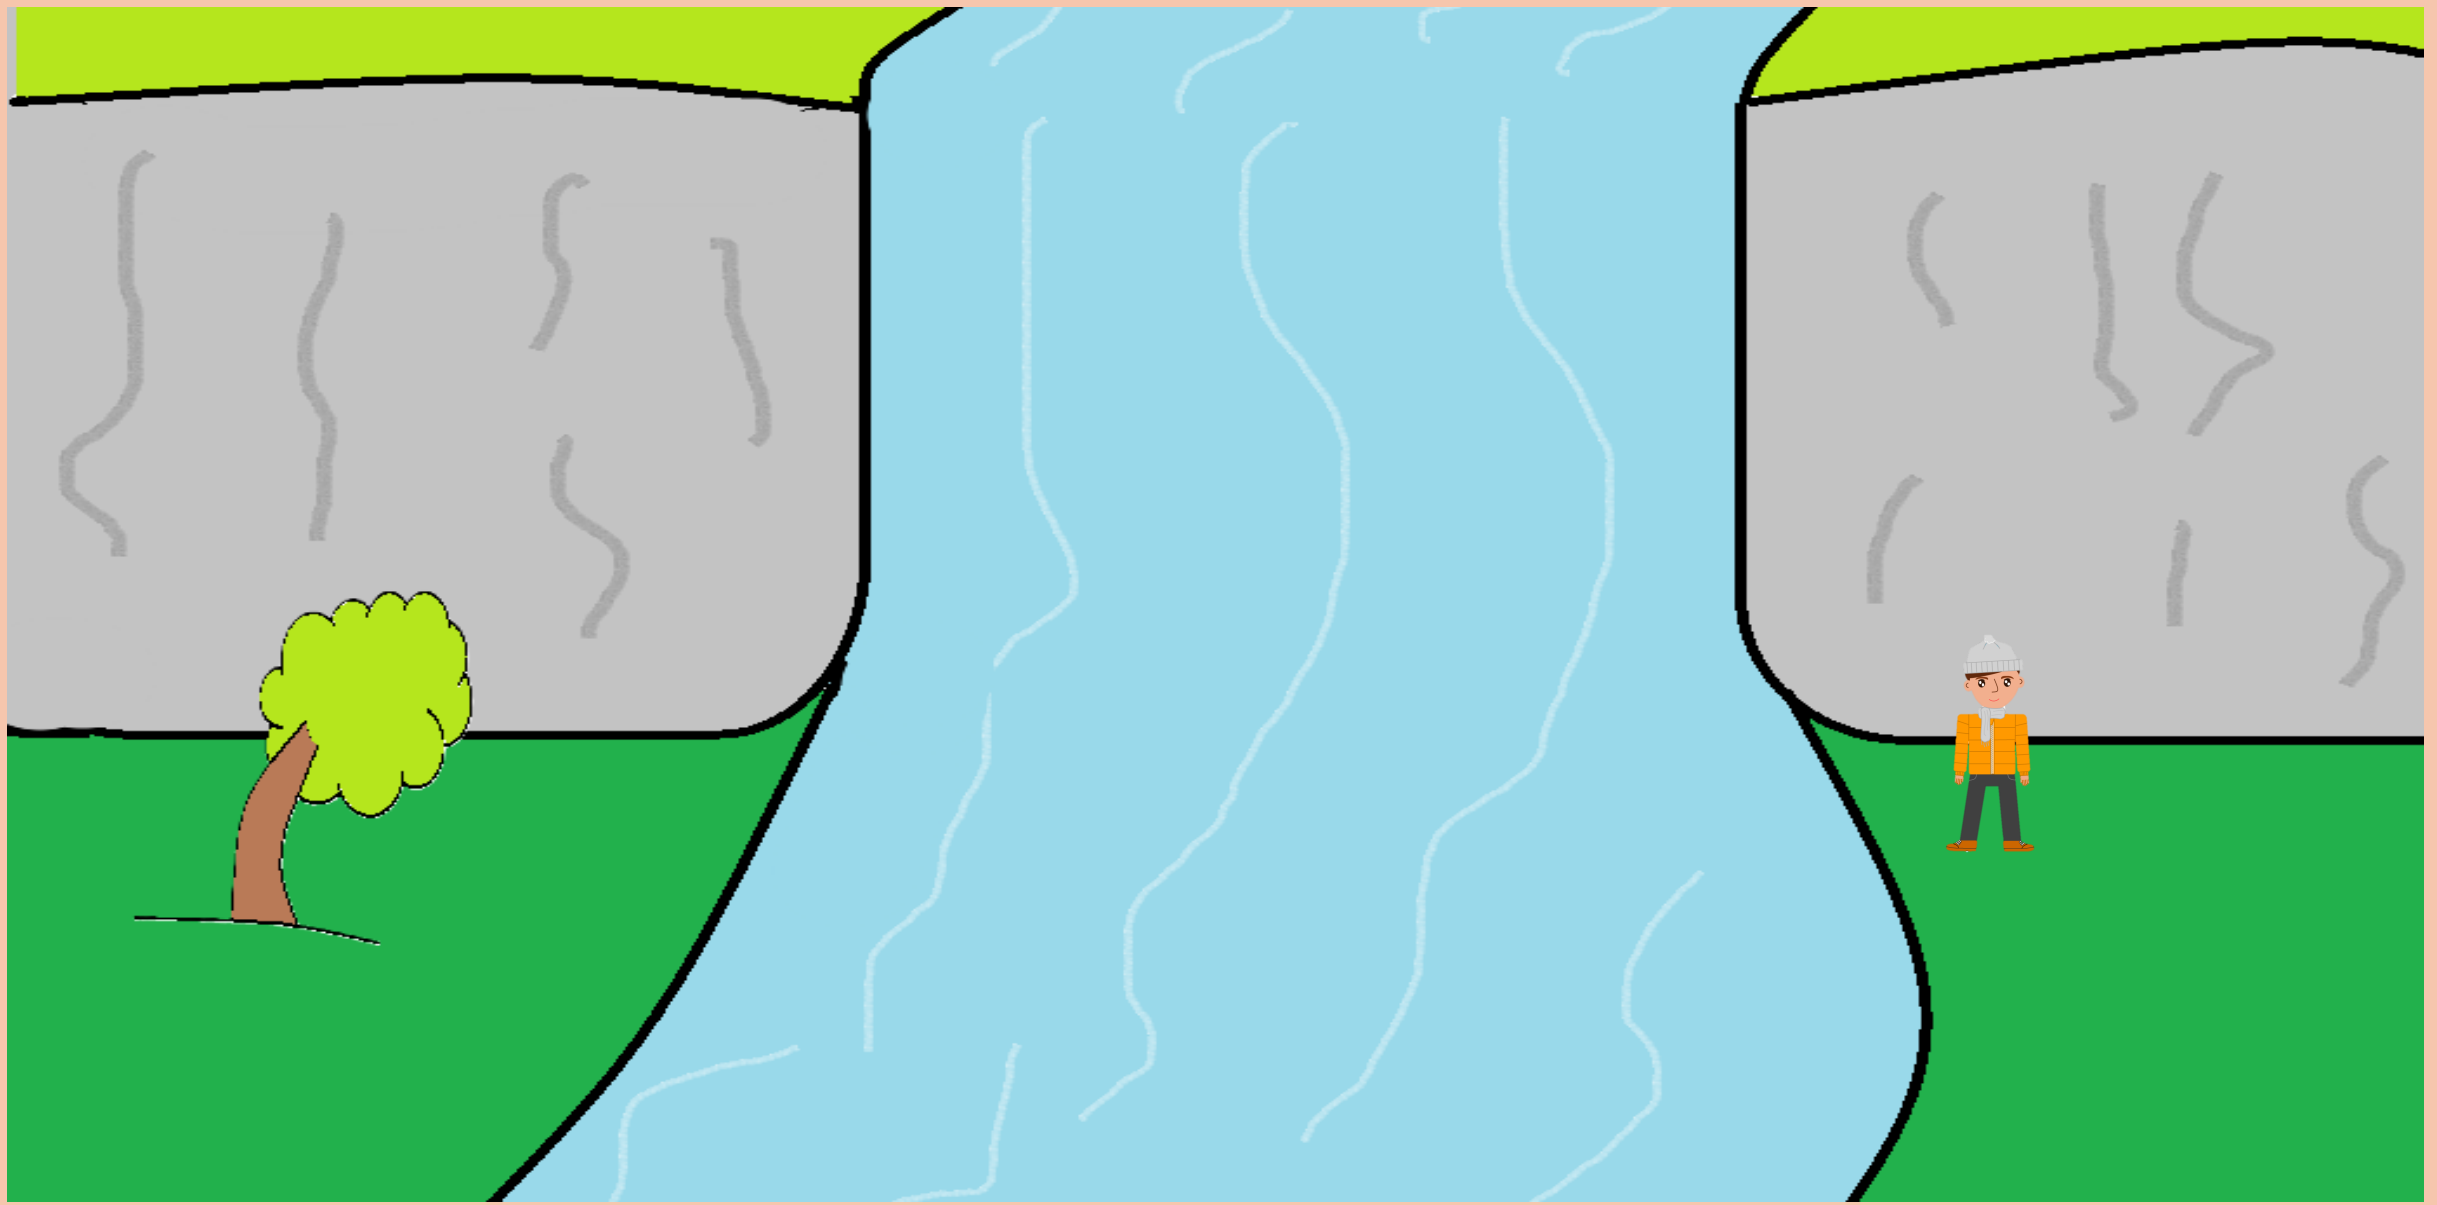

I'd visit a mighty river.

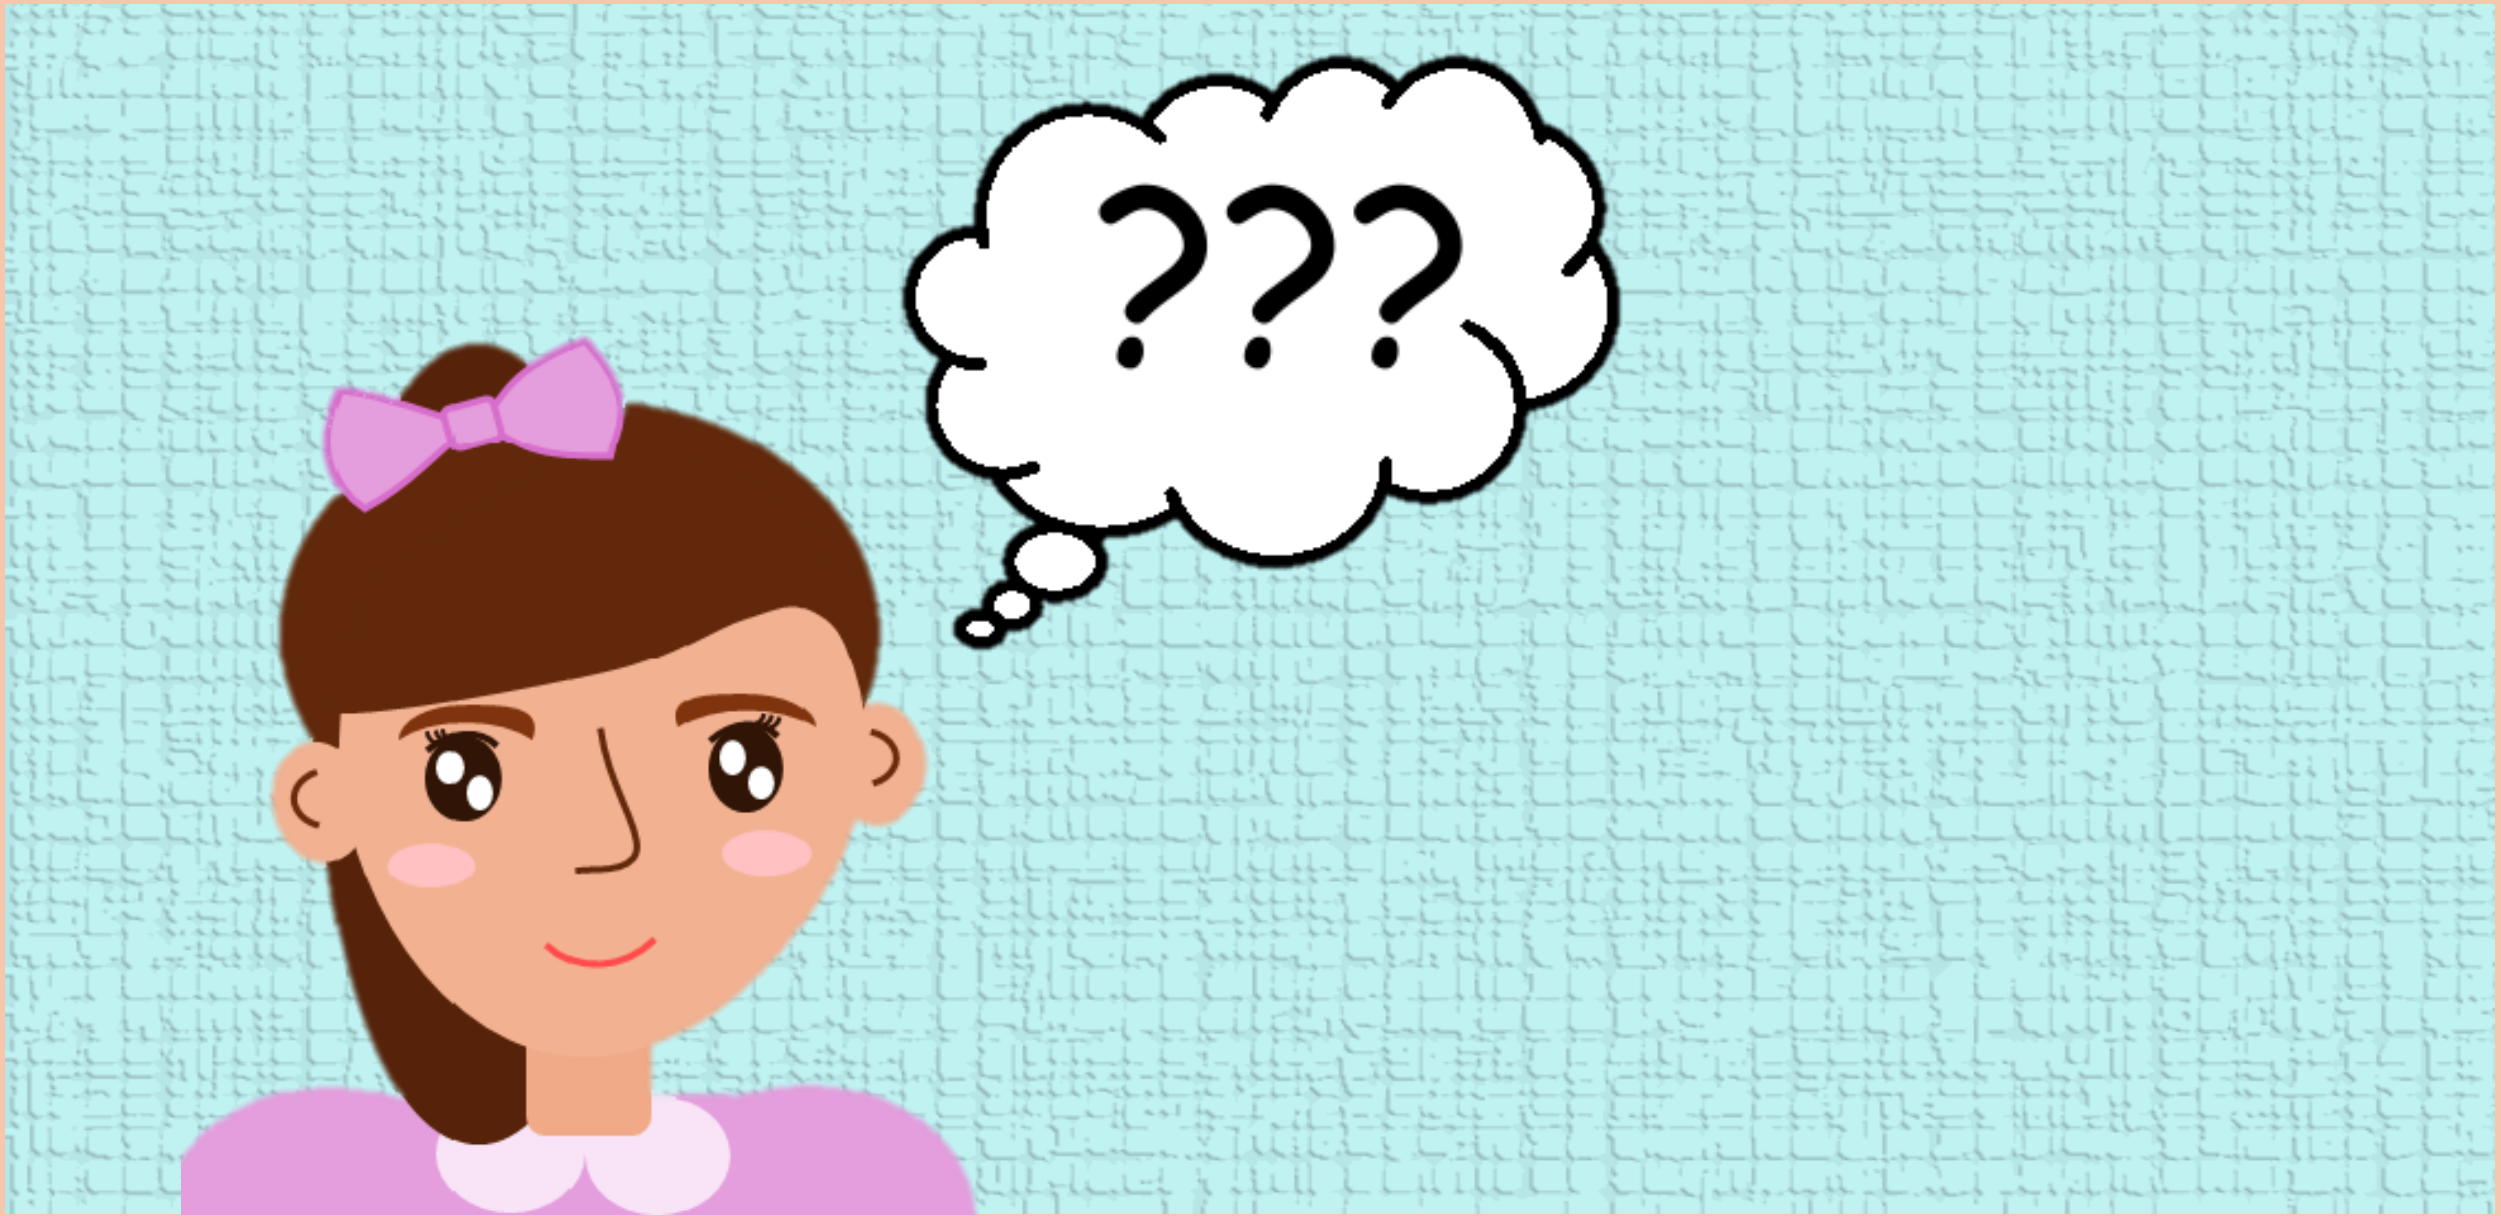

I'd visit the deep blue sea.

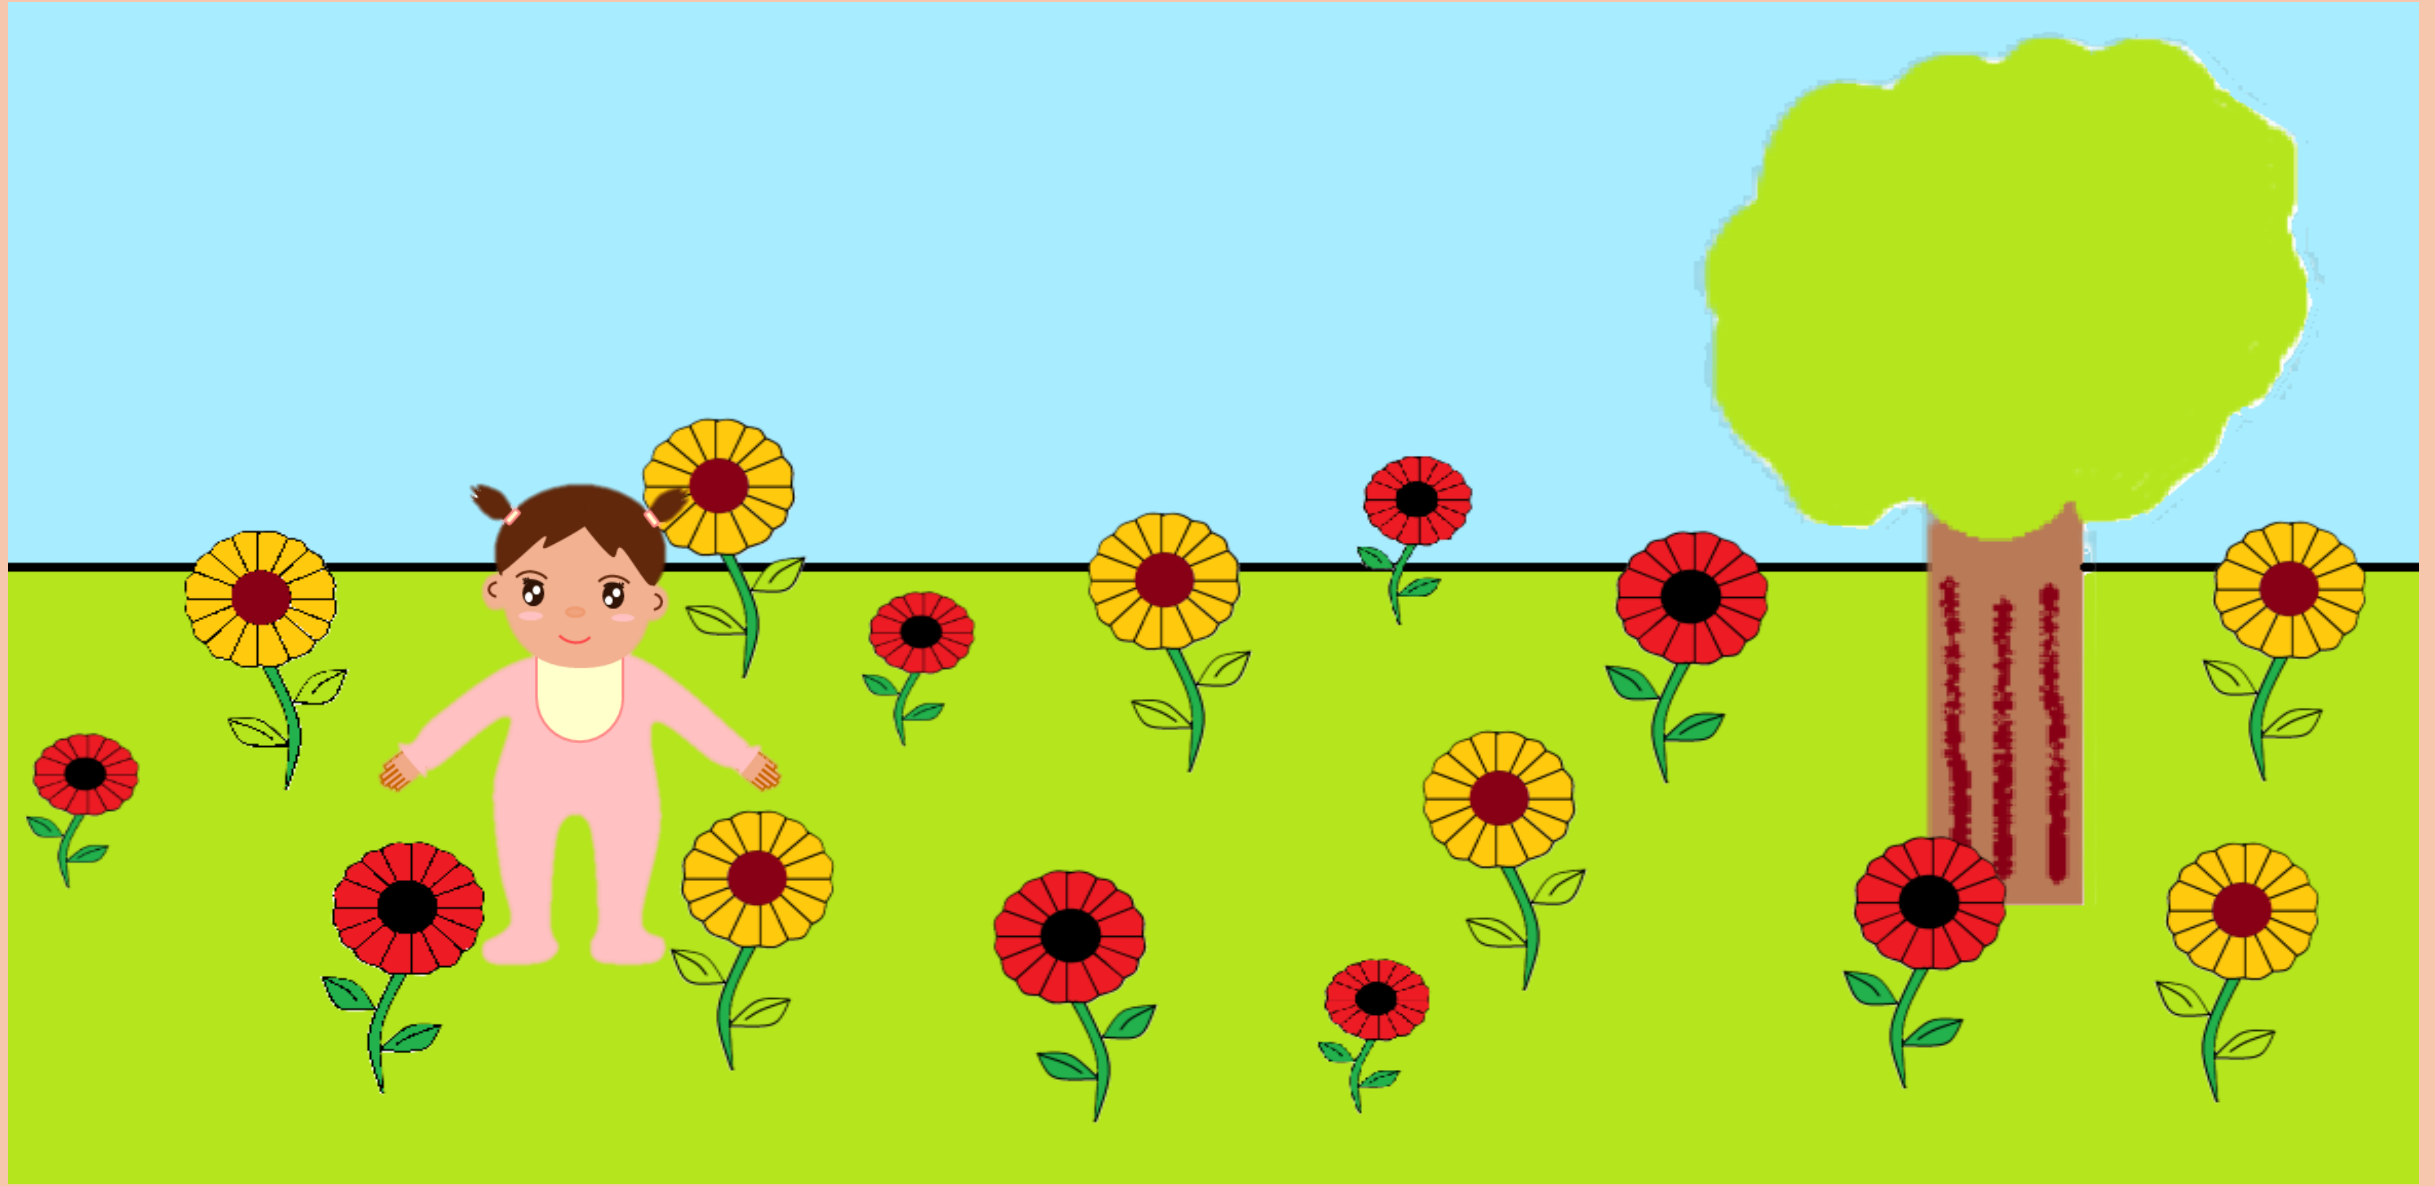

I'd visit a hot volcano.

I'd visit a rushing waterfall.

Where would Baby visit?

Baby is happy at home in the garden.
